Statement of Quality, Workmanship, and Warranty

*Every Dry Chemical, AFFF, Twin-Agent, and Compressed Air Foam (CAFS) ("Systems") shall be tagged with the Burner Fire Control nameplate and shall be sold direct to clients (or through authorized partners) **NEW** from the Burner Fire Control factory located at 1374 Petroleum Parkway in Broussard Louisiana. The Systems shall be fabricated, assembled, and factory inspected by Burner Fire Control, Inc. with at least 50 years experience in the service and manufacture of large capacity fire suppression systems.

*Burner Fire Control shall warrant all parts of new equipment for from the date of invoice for (1) Year. This Warranty shall be in effect only after placed in service in accordance with Burner Fire Control equipment specifications, and warrants against defective material or workmanship. This Warranty does **NOT** cover damage caused by accident, abuse, faulty installation, improper operation, or any indirect or consequential damage or loss of the fire-extinguishing agent.

*Burner Fire Control shall repair or replace any Burner Fire Control manufactured component under the conditions above within 60 days after the discovery thereof, and prior to the expiration of Warranty, and further provided that defective material is promptly returned to the Burner Fire Control factory, shipping charges pre-paid. Burner Fire Control's obligation under this Warranty is limited to repair or replacement as stated herein. Any change or field modifications to equipment shall create no obligation to advise, repair, replace, or commission the same equipment previously sold.

*Parts and ancillary equipment not of Burner Fire Control manufacture specified by the customer shall be warranted only to the extent covered by the original manufacturer. Vehicle chassis furnished by Burner Fire Control shall be warranted to the extent covered by the vehicle manufacturer.

*Under no circumstances shall Burner Fire Control be liable for any incidental or consequential damages. The warranty is given in lieu of all warranties expressed or implied and Burner Fire Control neither assumes nor authorizes any person to assume for it any liability in connection with the sale or use of this product.
